**RE: Exec-U-Net Guest Speaker  
December Meeting**

Dear Bob:

Thank you very much for your presence and fine presentation to our Exec-U-Net networking group at the Crown Plaza.

Bob, you were a big hit with everyone and you fed us all. Your topic "The Applicant/Employer Chemistry" was inspiring. I hope you feel it was time well spent and you met some nice people. We thoroughly enjoyed your presentation. I know the Networkers will find the information to be extremely helpful in their transition.

Thanks for everything!

Wishing you continued success in the New Millenium!

Sincerely,

J. Patrick Haly  
President
