To Whom It May Concern:

This is a letter of my endorsement of Robert Lahm.

I became acquainted with Mr. Lahm in my role as Director, Center for Health Services Continuing Education (CHSCE), Department of Health Services Administration, School of Health Related Professions, University of Alabama at Birmingham. Mr. Lahm provided outstanding service as a marketing consultant for our Annual Symposium for Health Care Executives, a major educational event for health care administrators throughout the country.

Mr. Lahm distinguished himself in his writing, graphics, and design skills; and most importantly in the interpersonal relations that are required during the process. Mr. Lahm is a honest, creative, reliable, bright and competent professional.

Please call me at (205) 934-7272, if you wish any further information.

Sincerely,

Michael D. Laus, Ph.D., Associate Director
Department of Organizational Development and Education
